The Chugiak Senior Housing, Inc. is managed by Chugiak Senior Citizens, Inc. which also manages Chugiak Senior Center which is adjacent to Denali View Apartments.

The Chugiak Senior Citizens complex was founded in 1975 to serve the needs of seniors from Eagle River to Eklutna. Starting in a small community building, today the Center is over 100,000 square feet.

Located within the senior complex are a variety of programs and services, such as additional senior housing, an assisted living, an adult day services program, a healthy nutrition program, transportation, Meals-on-Wheels, health outreach nurse, computer classes for seniors, and a visiting professionals program which rotates specialists in numerous fields to provide on-site services. We also have a fulltime activity staff who arranges for outings, special events, and activities.

## *Denali View Apartments*

The Chugiak Senior Citizens, Inc. complex is a senior residential community and our Senior Housing Program has housing options that will meet your needs with 42 independent apartments, 21 assisted living apartments and 20 low income apartments located in the Denali View.

The 20 Denali View apartments are for those seniors who meet HUD age and income requirements.

Come in today and fill out an application.
