**We can cater in-house or we can deliver to your venue.**

Multiple menu options are available to accommodate your budget.

We can offer your meal buffet style or with service. Let us take care of the food, whether it's a working breakfast at the office or a picnic for a family reunion. How about appetizers and hors d'oeuvres for a special event such as a grand opening or customer appreciation?

We can also provide wait staff, table linens and decorations at an additional charge.

We have numerous menu options available to fit your needs. A minimum of 25 servings is required for in-house catered events such as luncheons, breakfasts or dinners.

As an example: Dinner options such as a Turkey (with all the trimmings), Meatloaf (w/ mashed potatoes, gravy, vegetables), Cordon Blue ( w/ herb & wild rice, vegetables) or Fried Chicken (w/ potato salad, baked beans, corn on the cob) start at a low \$20 per person which includes a beverage, side salad and a bread roll.
